*When long-distance motorcycling
became a reality*

Honda's Gold Wing is one of the most iconic names in biking history. Revealed back in 1975, the Gold Wing became through the years, synonym of long-distance motorcycling. The world's longest motorcycle ride, spanning 10 years, 279 countries and a total distance of 457,000 miles (735,000 km) was achieved by an Argentinian rider on a 1980 Honda Gold Wing GL1100.

Source: Scotto, Emilio (2007), The Longest Ride: My Ten-Year 500,000 Mile Motorcycle Journey, MotorBooks/MBI Publishing Company, ISBN 9780760326329

At the beginning, the Gold Wing was powered by a liquid-cooled-flat-four engine with a 999cc displacement.

LUGGAGE

Trunk Lights Kit

08ESY-MKC-LED18

Pack containing all accessories to install the Trunk inner lamp and the LED stop light when Trunk is installed on the Gold Wing.

- Trunk Sub Harness (08E86-MKC-A00)

€ 69.00

COMFORT

Front LED Fog Light Kit

08ESY-MKC-FLK18

Increase your visibility and make yourself more noticeable for the surrounding traffic! Pair of adjustable, bright white LED Front Fog Lights. Provides 880 Lumens of brilliant white light, and features a hard-coated lens and waterproof connectors. Pack Contains:
 - Front LED Fog Light Attachment Kit (08V70-MKC-A00)
 - Front LED Fog Light Kit (08V71-MKC-A00)
 € 541.00

Passenger Backrest Kit

08R70-MKC-A10

Custom-styled, high quality backrest with embossed Gold Wing logo, helps keep your passenger comfortable. Can be installed on the Gold Wing models without Rear Trunk.
 € 332.00

Tall Windscreen

08R71-MKC-ED1

Taller and wider than the standard windscreen, it provides added protection from the elements. 225mm and 100mm longer than the Gold Wing and Gold Wing Tour windscreens respectively.
 € 312.00

Upper Air Deflector

08R72-MKC-A01

Polyurethane deflector designed to boost wind protection and funnel air away from the rider. Specifically designed to improve comfort and match the styling of your motorcycle. € 649.00

Rider Backrest Kit

08R75-MKC-A00

Custom-styled, high quality backrest with embossed Gold Wing logo, provides support for added comfort. Unique design tilts forward for easy passenger seat access. Not compatible with Custom Seat. € 322.00

Custom Seat

08R76-MKC-A00

Features custom-designed stitching pattern with embossed Gold Wing logo. Provides plush seating and taller rider backrest over stock that is integrated into the design for added support and increased comfort. Built on a high-quality, injection moulded factory seat pan. Includes heater. Not compatible with Rider Backrest. € 1,560.00

DCT Foot Shifter Kit*

08U71-MKC-A00

A complete kit enabling you to change gear in the traditional 1 down - 5 up format on DCT Models using a left foot shift lever. Works alongside the handlebar shift triggers giving you the choice of using either.

* For Tourer DCT Version only.
 € 1,149.00

Lower Air Deflector

08R73-MKC-A00

Polyurethane deflector designed to deflect hot air from the radiator away from the rider in order to improve comfort. Provides additional wind coverage from the elements. € 299.00

LOOK

Front Calliper Covers
08F74-MKC-A00

Add custom styling and provide additional cooling airflow to your front callipers with these covers. 2 colours available:

What's not to love with the V4?

The love story between Honda and the V4 4-Stroke DOHC engines started 40 years ago. Designed to challenge the 2 strokes dominating the Road Racing World Championship, the NR500 started the lineage of Honda bikes sharing the DNA rooted in the VFR800F: the unique flexibility, smoothness and purity of output provided by a V4 engine

The first Honda V4 engine developed in 1978 for the Road Racing World Championship

LUGGAGE

31L Top Box

08L71-MJM-D00ZA | 08L71-MJM-D00ZB | 08L71-MJM-D00ZH

This 31L top box can store 1 full-face helmet and more. It features a locking quick-detach mounting system operated with the bike key. Double link hinges and integrated sealing creates a new level of smooth design. The top box lid matches the colour of the bike.

DREAMS REALLY DO COME TRUE

Soichiro Honda said,
‘We only have one future, and it will be made of
our dreams, if we have the courage to challenge
convention.’

Honda’s philosophy in dreaming of a better world for
people catalysed the invention of the ASIMO, HondaJet,
NSX and the legendary Africa Twin. Dreams can be
powerful, they push you to achieve more, to explore
new ideas, new technologies and uncover
new ways of solving problems.

It takes independent thinking and audacity to pursue
dreams. It also takes passion and innovation to never
allow the dream to die and to shape them into a reality
for the modern day world.

The specific details of this brochure do not apply to any particular product supplied or offered for sale. Manufacturers reserve the right to vary specifications, including colours, with or without notice at such times in such manner as deemed appropriate. Major as well as minor changes may be involved. Every effort, however, is made to ensure the accuracy of the particulars contained in this brochure. Consult your Dealer for details regarding the specifications of any featured product. This publication shall not constitute - under any circumstances whatsoever - an offer by the Company to any individual. All sales are made by the Distributor or Dealer subject to and with the benefit of the standard Conditions of Sale and Warranty provided by the Distributor or Dealer, copies of which may be obtained upon request. While efforts are made to ensure specification accuracy, brochures are prepared and printed several months in advance of distribution and consequently cannot always immediately reflect either changes in specification or in some isolated cases the provision of a particular feature. Customers are always advised to discuss specific details with the supplying Dealer, especially if a selection is dependent upon one of the features advertised. Please contact your local dealer for information and specifications. Please note that the fuel consumption figures provided are results obtained by Honda under standardised testing conditions prescribed by WMTC. Tests are conducted on a rolling road using a standard version of the vehicle with only one rider and no additional optional equipment. Actual fuel consumption may vary depending on how you ride, how you maintain your vehicle, weather, road conditions, tyre pressure, installation of accessories, cargo, rider and passenger weight, and other factors. You accept that if you do go ahead and make a purchase or enter into any kind of transaction, whether for payment or not, you did so entirely in reliance on your own skill and judgement and not on that of anyone else.

RIDE WITH STYLE Read the owner's manual thoroughly. Get to know your machine and its capabilities. Concentration assists anticipation. Observe other road users' movements. Brake in plenty of time. Always wear a helmet and quality kit, ride fit and NEVER after drinking alcohol. Good roadcraft and courtesy identify the skilled and stylish rider. Honda endorse the law that all helmet visors must comply with BS 4110. Visors that transmit less than 50% of visible light cannot legally be used on the road.
